*****BOOKKEEPING NOTICE *****

In the state of Texas the horsemen's bookkeeping system is centralized by the Texas Horsemen's Partnership, in order to better serve the horsemen running at the numerous tracks throughout the state. It is now similar to branch banking.

This means that any necessary account maintenance can be done from any racetrack running a live meet in the state and through the Texas Horsemen's Partnership's main office in Austin year round.

Prior to starting a race an owner must have on deposit with the Horsemen's Bookkeeper the amount required to cover all costs incurred in starting that horse.

Prior to putting in a claim for a horse the owner or their Designated Representative must insure that all funds incurred with claiming a horse are on deposit in said account.

The following are the phone numbers for the numerous branch bookkeeping offices throughout the state:

Lone Star Park 972-237-5094 (AM)
972-237-4891 (PM)

Sam Houston 281-807-8885
THP Offices 512-467-9799

Bookkeeper e-mail cmartin@texashorsemen.com

HORSEMEN PLEASE NOTE:

The race office will close approximately 30 minutes after the last race of the weekend.

If you need your foal certificates please be sure and pick them up by that time as the Race Office is **NOT** open during weeks that we do not have entries.

Also note that any Quarter Horse foal certificates left in the race office after the final day of racing will be sent to Lone Star Park and any Thoroughbred foal certificates left in the race office will be sent to Retama Park.

TERMS AND CONDITIONS

The Rules of Racing adopted by the Texas Racing Commission governs all races run at G.C.F.A. Entries to any stakes at G.C.F.A. are received only with the understanding that Management of this Association reserves the right to refuse entry or acceptance to transfer of any entry for any cause and without notice to the subscriber. No nomination or entry will be received except upon agreement of the following conditions: That all disputed claims and objections arising out of the actual running of a race, or with respect to interpretation of the condition of any race shall be decided by the Stewards, or whom they appoint, and that their decision regarding any and all points shall be final.

G.C.F.A. reserves the right to divide a race, including both the added monies and all fees, in the event that there is a greater number of starters than the track can accommodate.

In all stakes, entries must be made through the entry box by the usual time of closing. It is understood and agreed that entries are accepted with the understanding that the horse(s) entered will only be allowed to start if in good standing at the time of the actual running of the race.

G.C.F.A. reserves the right to cancel any stake at any time prior to the actual running without liability, except for the refund of nomination and entrance fees if any.

It is hereby agreed that G.C.F.A. shall not be liable for and that the owner(s) and lessee(s) of the horse will indemnify and hold harmless G.C.F.A. and its officers against all responsibility or liability or claim for injury or damage to any other person(s) involved with the entrant caused by the horse or by any other person, whether by negligence or otherwise, on the grounds of G.C.F.A.

The subscriber hereby assigns to G.C.F.A. any and all rights to photographs, motion pictures, television and radio broadcasts in connection with any race run at G.C.F.A.

In Stakes/Handicaps: If you are in the top 10 and do not enter back you will lose your nomination fee. If you scratch after entering back you will forfeit your nomination fee and entry fee. If you are not in the top 10 the nomination will be refunded, unless your weight or earnings would have earned you a spot in the race after entries.

RACES DESIGNATED AS "MIXED BREED" INCLUDE QUARTER HORSES, PAINTS AND APPALOOSAS. IN RACES AROUND THE TURN, "MIXED BREED" ALSO INCLUDES THOROUGHBREDS.

NOMINATIONS FOR HANDICAPS AND AT TIME OF ENTRY PAYMENTS

TIME TRIALS

The ten (10) fastest qualifiers will be selected from the trials to compete in the final. If you choose not to enter the finals you will be paid last place money. In the event that 100 or more horses remain eligible and enter the trials, one consolation heat will be carded. The next ten (10) fastest horses will be selected from the trials to compete in the consolation. If you scratch out of the finals you will be paid last place money.

There will be no also eligible list for the trials or finals except in the case of disqualification for a positive drug test report or ineligibility of a horse according to the conditions of the race. Should a horse be disqualified for a positive drug test report or ineligibility of the horse according to the conditions of the race, the next fastest qualifier shall assume the disqualified horse's position in the final.

In the event that two or more time trial contestants have the same qualifying times and a tie exists; a draw by lot will be conducted to determine eligibility to compete in the trials. (Except in the event that said entrants compete in the same trial heat and no dead heat exists; the horse that finishes in the best position will automatically qualify.)

In the event that the automatic timing device fails during the running of a trial heat, the time of the winner will be determined by official hand timing. Times shall then be assigned to the other entrants based on their relative positions on the photo strip.

If a mechanical failure of the starting gate occurs, or if a horse is inadvertently left behind the gate when the field is dispatched during a trial, such horse shall be declared a non-starter, and all nomination, entry, and starting fees shall be refunded. During a running of a final or consolation, said entrant(s) shall also be considered a non-starter and awarded last place purse money.

In the event any of the ten (10) fastest qualifiers does not enter the final for any reason other than a positive drug test or ineligibility according to the conditions of the race (i.e age, breed, ringer, etc.) such horse(s) shall receive last place purse money.

CLAIM PROCEDURE

All claims must be made in writing in forms and in envelopes furnished by the Association and approved by the Commission. Both forms and envelopes must be filled out completely, and must be accurate in every detail, otherwise the claim will be void. The determination of what is accurate is within the sole discretion of the Stewards. Notwithstanding any designation of sex or age on the racing program or any racing publication, claimant is solely responsible for determining the age or sex of the horse claimed, prior to depositing the claim form. The prior trainer or his agent must accompany

the horse until all samples are taken. THE CLAIM AMOUNT AND ALL TRANSFER FEES MUST BE ON DEPOSIT WITH THE THP HORSEMEN'S BOOKKEEPER AT THE TIME A CLAIM IS MADE OR CLAIM WILL BE VOIDED. Anyone making a claim must first apply for an Owner's license from the Texas Racing Commission.

PREFERENCE DATE SYSTEM --

Horse registration certificates must be on file with the Racing Secretary in order to start. You may enter with a copy but will receive no preference.

Horses with foal certificates and a valid Coggins on file in the racing office will be issued an entry (E) date. Foal certificates that are on file in the office prior to the first day of entries will receive a zero date (E 00/00/00). After that, foal certificates will receive a date corresponding to the date the foal certificates arrive in the racing office during weeks that the racing office is open.

Horses who's foal certificates arrive during weeks that the racing office is not open will receive an entry (E) date for the date prior to the first entry date for the next time the racing office is open.

Horses who start in a race or are scratched from a race will receive a race date (R) date.

(E) dates have preference over (R) dates. Preference dates will not supersede the conditions of the race. Date preference will not supersede rules regarding preference, eligibility, or scratches.

This date system does not include trial or stakes races. Horses will not lose their preference date in trials or stakes races.

All Owners and/or Trainers making entries must sign entry blanks.

Any Owner and/or Trainers entering two horses into an overnight race must prefer one horse.

Maidens entering against winners must be noted at time of entry, and will receive least consideration.

In all matters of discretion, the Steward's ruling is final.

EQUIPMENT CHANGES --

If a horse has not started in the current calendar year such horse will establish their equipment (i.e. blinkers on / blinkers off) in their first start at the Gillespie County Fairgrounds. If a horse has started at any racetrack during the current calendar year such horse will be required to race in the equipment (i.e. blinkers on / blinkers off) as it did in that start unless a change of equipment was requested at time of entry.

Though the race office will gladly assist horsemen with finding out what equipment a horse had in their last start, horsemen are solely responsible for knowing what equipment their horses are required to race in.

In all matters of discretion, the Steward's ruling is final.

ALL HORSES ENTERING THE STABLE AREA OF GCFA MUST BE ACCOMPANIED BY:

A Certificate of Veterinary Inspection (health certificate) dated no more than forty five (45) days prior to entrance to GCFA stable area. The Certificate of Inspection must include evidence of a negative EIA (Coggins) test within the past twelve (12) months.
